The purpose of this letter is to extend a cordial invitation to you to serve on our Military-Economic Advisory Panel (MEAP).

The MEAP was established to provide independent advice to me and the Intelligence Community on questions concerning the quality of analysis and reporting on military-economic affairs of communist countries, particularly the Soviet Union. It currently consists of six scholars--all experts in their fields--who meet at least two times a year. [Redacted]

[Redacted]

The Panel has proven to be of considerable value in assisting us to maintain and enhance our efforts in this highly complex and important area of our work. I know that with your background and experience, you will make a valuable addition to the Panel. Please let me know if you can accept.

Sincerely,

/s/ William J. Casey
